DEVOTIONAL MOMENT

GOOD NEWS!

"Sing to the LORD, praise his name; proclaim his salvation day after day."

Psalm, 96:2

How often do you praise God? Not just by singing hymns or praise songs in church. How often are you praising him and proclaiming the gift that he has given you through your words, your actions, and your witness to others? God calls us to go out into the world and spread the good news of Jesus Christ. What better way to show the world the power of God than through your praises? It's not hard to praise God. You can do it through prayer, through charity (doing good for others), or by simply smiling and presenting yourself in a way that others can tell you are "different." What's awesome is that you will know that the "difference" is the love that you have for and from Jesus Christ! So, praise God today, in whatever way you can!

A Prayer: "Dear Jesus, we praise your Holy Name, and ask that you help us live our lives in constant praise and confirmation that you are our Lord and Savior." - Amen
