

Youth Group LockIn

Dear Parents/Guardians & Youth!

I am excited to let you know that on **Saturday, November 26th through to Sunday, November 27th**, we will have our first Youth Group Lock-In of the year! This event is for Youth in Grade 5-10!

Students should arrive at the church by 5:15PM. We will drop off our lock-in supplies and get ready to cruise over to Laser Quest Regina for some serious Laser tag!

There are some details we need to sort out:

Parent volunteers are required!

If you are able to drive students to and from Laser Quest – please let me know asap! I suspect we will have approximately 30 students in attendance. So we will need at least 7 drivers.

I will also need help during the Lock-In. So if you are willing to do a shift or stay for the majority of the night...your time would be greatly appreciated! Depending on how many parents I have, I can create a shift schedule. But I do need to know as soon as possible that I will have help during the lock-in.

Parents – If you have not already volunteered and you are interested...please let me know as soon as possible if you are able to volunteer and in what capacity! You can call me at work, at home or on my cell! I have an answering machine at work, so that is your best way to get a hold of me! (W) 791-3597 (H) 205-4819 (C)551-6398 OR send me an email: s.holliday@rcs.sk.ca

Holy Trinity will cover much of the costs for this event but we will require parents to pay a minimal fee of \$10 to subsidize Laser Quest and Lock-In expenses.

Cut off bottom portion of permission slip and return it along with \$20 to Susan at the church office or to Sharlene by Tuesday, November 22, 2011.

Emergency Information for: Youth Name: _____

In case of emergency, please contact:
